REMARKS

Claims 1 to 30 are pending in the application.

Drawings

The drawings are objected to because reference boxes 5, 6, and 9 should be labeled.

A replacement drawing sheet is submitted herewith showing the labeling as suggested by the examiner.

The drawings are objected to under 37 CFR 1.84(p)(5) because reference numeral 11 as shown in Fig. 2 is not included in the specification. Replacement paragraph page 12, lines 1-6, is submitted herewith that now includes reference numeral 11.

Reconsideration and withdrawal of the objection to the drawings are therefore respectfully requested.

Claim Objections

Claims 1 to 30 are objected to because of informalities. The claims have been revised in view of examiner's remarks, and the suggested changes have been carried out.

Reconsideration and withdrawal of the objection of the claims 1-30 are therefore respectfully requested.

Claim Rejections - 35 U.S.C. 112

Claims 1-14 stand rejected under 35 U.S.C. 112, 2nd paragraph, as being indefinite.

In claim 1, "bracket" has been deleted and replaced with "suspension".

In claim 3 and the following, "movable" has been deleted from the term "cantilevered movable conductor".

Proper antecedence has been provided in claims 5, 12, 13, 14.

In claim 12, wording in parentheses has been deleted.

Reconsideration and withdrawal of the rejection of the claims 1-14 pursuant to 35 USC 112 are therefore respectfully requested.

ALLOWABLE SUBJECT MATTER

Claims 1 to 30 appear to be allowable as no prior art has been applied for the reasons given by the examiner in the office action.

CONCLUSION

In view of the foregoing, it is submitted that this application is now in condition for allowance and such allowance is respectfully solicited.

Should the Examiner have any further objections or suggestions, the undersigned would appreciate a phone call or e-mail from the examiner to discuss appropriate amendments to place the application into condition for allowance.

Authorization is herewith given to charge any fees or any shortages in any fees required during prosecution of this application and not paid by other means to Patent and Trademark Office deposit account 50-1199.

Respectfully submitted on April 4, 2006,

Ms. Gudrun E. Hockett, Ph.D.
